

## INDEX

---

	PAGE
<b>ACHESON, A. R.</b> , Hasty Conclusions Made from Variable Data.....	147
Advantages of Heat Insulation in Hotels, Apartment Houses, and Private Residences, by R. H. HEILMAN.....	85
Discussion.....	101
Air a Vital Property? Has, by F. E. HARTMAN.....	105
Air as a Heating Medium, Humid, by FOSKETT BROWN.....	185
Air, Effective Temperature for Persons Lightly Clothed and Working in Still, by F. C. HOUGHTEN, W. W. TEAGUE, AND W. E. MILLER.....	315
Air in Circulation, Observing Warm, by THORNTON LEWIS.....	279
ARKLEY, L. M., Development of the Art of Heating and Ventilating in Canada.....	259
Art of Heating and Ventilating in Canada, Development of the, by L. M. ARKLEY.....	259
ASHENHURST, H. S., An Experiment in Insulating a Home.....	175
Atmospheres of Low Temperatures in Still and Moving Air, Work Tests Conducted in, by W. J. McCONNELL AND C. P. YAGLOU.....	237
Analysis of Ventilation, An, by PERRY WEST.....	129
ANDERSON, F. PAUL, World Demands a Scientific Ventilation Standard.....	152
Annual Meeting, The Thirty-Second, 1926.....	1
 Basis for Ventilation, A Rational, by J. E. RUSH.....	321
BLOOMFIELD, J. J., Development and Characteristics of a Carbon Monoxide Recorder.....	211
BRABBÉE, DR. C. W., The Heating Effect of Radiators.....	11
Window-Method Ineffective in Summer.....	146
BROWN, FOSKETT, Humid Air as a Heating Medium.....	185
BULKELEY, C. A., A New Psychrometric or Humidity Chart.....	163
Control Is the Vital Thing.....	146
Bureau of Mines Investigations, Scope of, by A. C. FIELDNER.....	75
 Canada, Development of the Art of Heating and Ventilating in, by L. M. ARKLEY.....	259
Carbon Monoxide Recorder, Development and Characteristics of a, by S. H. KATZ, D. A. REYNOLDS, H. W. FREVERT AND J. J. BLOOMFIELD.....	211
Circulation, Observing Warm Air in, by THORNTON LEWIS.....	279
Class-Room Heating and Ventilating without Direct Radiation, by J. R. MCCOLL, Discussion.....	249 254
Code for Rating and Testing Radiators, Proposed, by R. V. FROST.....	39
Conditions Existing in the Rooms of a Residence Heated by a Gravity Warm Air System, Temperature, by V. S. DAY.....	111
Control Is the Vital Thing, by C. A. BULKELEY.....	146
Cooperation Will Bring the Ideal in Ventilation, by C.-E. A. WINSLOW.....	158

DAY, V. S., Temperature Conditions Existing in the Rooms of a Residence Heated by a Gravity Warm Air System.....	111
Development and Characteristics of a Carbon Monoxide Recorder, by S. H. KATZ, D. A. REYNOLDS, H. W. FREVERT AND J. J. BLOOMFIELD.....	211
Discussion.....	235
Development of the Art of Heating and Ventilating in Canada, by L. M. ARKLEY..	259
Effect of Radiators, The Heating, by Dr. C. W. BRABBÉE.....	11
Effective Temperature for Persons Lightly Clothed and Working in Still Air, by F. C. HOUGHTEN, W. W. TEAGUE AND W. E. MILLER.....	315
Elbows, Friction of Water in, by F. E. GIesecke.....	303
EMSWILER, J. E., The Neutral Zone in Ventilation.....	59
Experiment in Insulating a Home, An, by H. S. ASHENHURST AND S. R. LEWIS..	175
Discussion.....	180
FIELDNER, A. C., Scope of Bureau of Mines Tunnel Investigations.....	75
Forced Hot Water System Heats Ford's Twin Cities Plant, by E. H. WHITTEMORE.	49
Discussion.....	56
Ford's Twin Cities Plant, Forced Hot Water System Heats, by E. H. WHITTEMORE.	49
FREVERT, H. W., Development and Characteristics of a Carbon Monoxide Recorder.....	211
Friction of Water in Elbows, by F. E. GIesecke.....	303
FRONCAK, DR. F. E., Likes Our Heating, Finds Ventilation Faulty.....	150
FROST, R. V., Proposed Code for Rating and Testing Radiators.....	39
GIesecke, F. E., Friction of Water in Elbows.....	303
Gravity Warm Air System, Temperature Conditions Existing in the Rooms of a Residence Heated by a, by V. S. DAY.....	111
HALLETT, E. S., Washed Air Best Health Insurance.....	141
HARTMAN, F. E. Has Air a Vital Property?.....	105
Has Air a Vital Property?, by F. E. HARTMAN.....	105
Discussion.....	110
Hasty Conclusions Made from Variable Data, by A. R. ACHESON.....	147
Heat Insulation in Hotels, Apartment Houses, and Private Residences, Advantages of, by R. H. HEILMAN.....	85
Heat Emission, Heating Effect and Heating Efficiency of Direct Radiation, by KONRAD MEIER.....	35
Heat Transmission Research, Some Results of, by F. B. ROWLEY.....	199
Heating and Ventilating in Canada, Development of the Art of, by L. M. ARKLEY.	259
Heating and Ventilating without Direct Radiation, Class-Room, by J. R. MCCOLL.	249
Heating Effect of Radiators, The, by Dr. C. W. BRABBÉE.....	11
Discussion.....	27
Heating Efficiency of Direct Radiation, Heat Emission, Heating Effect and, by KONRAD MEIER.....	35
Heating Medium, Humid Air as a, by FOSKETT BROWN.....	185
HEILMAN, R. H., Advantages of Heat Insulation in Hotels, Apartment Houses, and Private Residences.....	85
HILL, DR. E. V., Mechanical Ventilation the Method of the Future.....	137
Home, An Experiment in Insulating a, by H. S. ASHENHURST AND S. R. LEWIS..	174
Hot Water System Heats Ford's Twin Cities Plant, Forced, by E. H. WHITTEMORE.	49
HOUGHTEN, F. C., Effective Temperature for Persons Lightly Clothed and Working in Still Air.....	315

Humid Air as a Heating Medium, by FOSKETT BROWN.....	185
Discussion.....	193
Humidity Chart, A New Psychrometric or, by C. A. BULKELEY.....	163
Insulating a Home, An Experiment in, by H. S. ASHENHURST AND S. R. LEWIS... Insulation in Hotels, Apartment Houses, and Private Residences, Advantages of, by R. H. HEILMAN.....	175 85
KATZ, S. H., Development and Characteristics of a Carbon Monoxide Recorder... 211	
LEWIS, S. R., An Experiment in Insulating a Home.....	175
LEWIS, THORNTON, Observing Warm Air in Circulation.....	279
Likes Our Heating, Finds Ventilation Faulty, by DR. F. E. FRONCZAK.....	150
McCOLL, J. R., Class-Room Heating and Ventilating without Direct Radiation... McCONNELL, W. J., Research Has Determined Most Desirable Air Conditions... Work Tests Conducted in Atmospheres of Low Temperatures in Still and Moving Air.....	249 127 237
Mechanical Ventilation, the Method of the Future, by DR. E. V. HILL.....	137
MEIER, KONRAD, Heat Emission, Heating Effect and Heating Efficiency of Direct Radiation.....	35
MILLER, W. E., Effective Temperature for Persons Lightly Clothed and Working in Still Air.....	315
Neutral Zone in Ventilation, The, by J. E. EMSWILER..... Discussion.....	59 74
New Psychrometric or Humidity Chart, A, by C. A. BULKELEY..... Discussion.....	163 169
Objectives and Standards of Ventilation, by C.-E. A. WINSLOW..... Discussion.....	119 127
Observing Warm Air in Circulation, by THORNTON LEWIS..... Discussion.....	279 289
Proposed Code for Rating and Testing Radiators, by R. V. FROST..... Discussion.....	39 42
Psychrometric or Humidity Chart, A New, by C. A. BULKELEY.....	163
Radiation, Class-Room Heating and Ventilating without Direct, by J. R. MCCOLL. Radiation, Heat Emission, Heating Effect and Heating Efficiency of Direct, by KONRAD MEIER.....	249 35
Radiators, Proposed Code for Rating and Testing, by R. V. FROST.....	39
Radiators, The Heating Effect of, by DR. C. W. BRABBÉE :.....	11
Rating and Testing Radiators, Proposed Code for, by R. V. FROST.....	39
Rational Basis for Ventilation, A., by J. E. RUSH.....	321
Recorder, Development and Characteristics of a Carbon Monoxide, by S. H. KATZ, D. A. REYNOLDS, H. W. FREVERT AND J. J. BLOOMFIELD.....	211
Research Has Determined Most Desirable Air Conditions, by DR. W. J. MCCON- NELL.....	127
Research Will Reveal Best System, by R. R. SAYERS.....	140
Residence Heated by a Gravity Warm Air System, Temperature Conditions Exist- ing in the Rooms of a, by V. S. DAY.....	111
Results of Heat Transmission Research, Some, by F. B. ROWLEY.....	199

REYNOLDS, D. A., Development and Characteristics of a Carbon Monoxide Recorder.....	211
RILEY, C. L., Why Theatre Ventilation Is Better Than Law Requires.....	139
ROWLEY, F. B., Some Results of Heat Transmission Research.....	199
RUSH, J. E., A Rational Basis for Ventilation.....	321
SAYERS, DR. R. R., Summary of Results of Tunnel Investigations.....	81
Research Will Reveal Best System.....	140
Scope of Bureau of Mines Tunnel, Investigations by A. C. FIELDNER.....	75
Results of Tunnel Investigations.....	81
Semi-Annual Meeting, The Thirty-Second, 1926.....	171
Some Results of Heat Transmission Research, by F. B. ROWLEY.....	199
Discussion.....	209
Summary of Results of Tunnel Investigations, by DR. R. R. SAYERS.....	81
TRAGUE, W. W., Effective Temperature for Persons Lightly Clothed and Working in Still Air.....	315
Temperature Conditions Existing in the Rooms of a Residence Heated by a Gravity Warm Air System, by V. S. DAY.....	111
Discussion.....	117
Temperature for Persons Lightly Clothed and Working in Still Air, Effective, by F. C. HOUGHTEN, W. W. TRAGUE AND W. E. MILLER.....	315
Temperatures in Still and Moving Air, Work Tests Conducted in Atmospheres of Low, by W. J. McCONNELL AND C. P. YAGLOU.....	237
Tests Conducted in Atmospheres of Low Temperatures in Still and Moving Air, Work, by W. J. McCONNELL AND C. P. YAGLOU.....	237
Tunnel Investigations, Scope of, Bureau of Mines, by A. C. FIELDNER.....	75
Ventilating in Canada, Development of the Art of Heating and, by L. M. ARKLEY.....	259
Ventilating without Direct Radiation, Class-Room Heating and, by J. R. MCCOLL.....	249
Ventilation, A Rational Basis for, by J. E. RUSH.....	321
Ventilation, The Neutral Zone in, by J. E. EMSWILER.....	59
Warm Air in Circulation, Observing, by THORNTON LEWIS.....	279
Warm Air System, Temperature Conditions Existing in the Rooms of a Residence Heated by a Gravity, by V. S. DAY.....	111
Washed Air Best Health Insurance, by E. S. HALLETT.....	141
Water in Elbows, Friction of, by F. E. GIESECKE.....	303
WHITTEMORE, E. H., Forced Hot Water System Heats Ford's Twin Cities Plant..	49
Why Theatre Ventilation Is Better Than Law Requires, by C. L. RILEY.....	139
Window-Method Ineffective in Summer, by DR. C. W. BRABÉE.....	146
WINSLOW, C.-E. A., Cooperation Will Bring the Ideal in Ventilation.....	158
Work Tests Conducted in Atmospheres of Low Temperatures in Still and Moving Air, by W. J. McCONNELL AND C. P. YAGLOU.....	237
World Demands a Scientific Ventilation Standard, by F. PAUL ANDERSON.....	152
YAGLOU, C. P., Work Tests Conducted in Atmospheres of Low Temperatures in Still and Moving Air.....	237
Zone in Ventilation, The Neutral, by J. E. EMSWILER.....	59
